Description

FULLTEC ADJUVANT

Fulltec Adjuvant is the most complete adjuvant on the market. It brings the convenience of an efficient multi-functional product with the practicality of a user-friendly rate and package designed for busy operations and occupied farmers.

Main Benefits:

Time saver

Just one product can replace the usage of many others, saving time and making operations more efficient.

User-friendly

Easy to handle packaging with a low-use rate makes Fulltec the most convenient adjuvant on the market.

Effectiveness

Fulltec Adjuvant minimizes losses in the spray application and improves droplet coverage and plant absorption.

Drift retardant Surfactant Water Conditioner pH Adjuster Emulsifier
Defoamer Stabilizer Deposition Aid And more
